

Intermediate Junior Clinic

This clinic is designed for junior players ages 12-16 to get ready for competitive tennis. We will do station drilling as well as live ball drilling, discuss strategy and help to sign up for tournaments. Practice will be concluded with a fifteen-minute conditioning session.

If you are not sure how serious you should be about tennis, this is the right clinic for you to see if you want to play competitively and perhaps play for your high school or eventually for a college.
